

COMAT 2026

Recent trends in structural materials

9th International Conference Recent Trends In Structural Materials

September 8 - 10, 2026

Vienna House Easy by Wyndham, Pilsen, Czech Republic, EU

COMAT 2026 offers a unique opportunity to discover the latest research results and share practical experience in advanced structural materials, their applications and innovative technologies shaping sustainable development and technological transformation. Look forward to inspiring lectures by leading experts from academia and industry, a poster session and a guided tour of the COMTES FHT a.s. research center.

Plenary Speakers

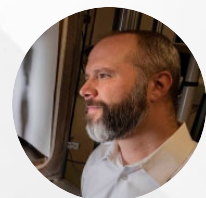

Prof. Dr.-Ing. Christian SEIDEL

Dr. Marius LAKOMEIC

Prof. Dr. E-Wen HUANG

Dr. Brad L. BOYCE
